

All items must be sent by Jun 25, 2023.

Additional instructions for mailing your package

- Ensure that there are no other tracking labels attached to your package. If you are shipping a non-hazardous item, completely remove or cover any hazardous materials markings.
- Affix the mailing label squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Take this package to a UPS location. Store hours are subject to change due to COVID-19 precautions, please confirm opening hours before proceeding. To find your closest UPS location, visit the UPS [Drop Off Locator](#) or go to [www.ups.com](#).
- Any damaged/defected lithium battery products (batteries or battery powered equipment) is not allowed to be physically returned to Amazon. Please contact Customer Service for further instructions. **FAILURE TO ADHERE TO THESE LEGAL REQUIREMENTS MAY PREVENT PROPER SHIPMENT, RESULTING IN AN UNSUCCESSFUL RETURN/RECYCLE**
- Item(s) must be packaged in original manufacturer packing if available. If original packaging is unavailable, securely pack your item in a cardboard box with adequate cushioning to prevent damage to the item in transit. If any labels or preprinted marks are presented on the box, they must be completely removed or covered by white label. Lithium battery label should be printed in color.

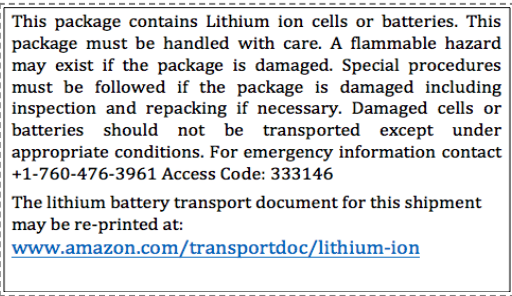

Hazmat Label

Cut this label and affix to the outside of the return package

Hazmat Label

Cut this label and affix to the outside of the return package

Return Mailing Label

Cut this label and affix to the outside of the return package

Return Authorization Slip

Place this barcode and item description inside your return package (in case your mailing label gets damaged).
